Return for Refund Message
Each province requires that all beverage containers covered by local acts and regulations <u>carry a label which includes a highly visible "Return for Refund" message</u>. Multiple variations of wording are acceptable provided the concept of a refund is evident and the message appears in both English and French.

Size
To ensure the message is readily visible, a minimum letter size of 3.2 mm (1/8 in.) is required.

Location
The message must be located on the container where it is readily visible and must remain on the container when empty. In other words, it cannot be located on a cap or lid which may be discarded.

Label Sample
In order for a beverage to become registered, a sample of the label must accompany this
