

## Recognized Courses

### Course list

The following courses have been deemed equivalent to the *National Guidelines for Food Safety Programs in the Food Retail and Food Service Sectors* and are accepted in New Brunswick, as per Section 39(1)(2) of *Food Premises Regulation 2009-138* under the *New Brunswick Public Health Act*.

Important: This list is subject to change. The Department of Health reserves the right to conduct a course review at any time.
