Hiring Demand Bulletins are custom analyses prepared by Post-Secondary Education, Training and Labour using information from Wanted Technologies Inc. This information is based on current new job postings which are advertised using on-line media. Wanted Technologies uses a patented process to assign job classifications in keeping with the National Occupational Classification. Data is revised on a monthly basis, therefore information presented in this bulletin may not always correspond to previous versions.

Previous versions of the Hiring Demand Bulletin, as well as full information on Methodology can be found at the following link:
