

Department of Agriculture and Aquaculture Contact: Dr. M. F. Maloney, (506) 453-5443	Veterinary Field Services <i>Financial Administration Act</i> Regulation 86-32
Current Fee: See Schedule Proposed Fee: See Schedule Effective Date: April 1, 2010	New Annual Revenue Estimate: \$1,848,000 Change in Annual Revenue: \$47,000
Comments: Fees for departmental veterinary services, provided to livestock clients in the province, last increased on April 1, 2009, the first increase since April 1, 2005. The costs of providing ambulatory animal health services to livestock owners in the province have been increasing on an annual basis, which necessitates an annual increase in fees.
