

Grape Industry Development Program

**Sustainable Canadian
Agricultural Partnership**

Competitive. Innovative. Resilient.

(Office use only)

Date received	Application received by
Project Number	Previous Project Number

New application	New entrant	Continuation of previous approved project
-----------------	-------------	---

Language preference for correspondence: English / Anglais French / Français

Step 1 - Basic Eligibility Requirements

I confirm that all of the following conditions are met:

- ✓ The applicant is eligible under the *Sustainable Canadian Agricultural Partnership*.
- ✓ The applicant is in compliance with all Requirements of Law and agrees to remain in compliance with all Requirements of Law for the duration of the project. "Requirements of Law" means all applicable requirements of law, as may be set out in statutes, regulations, by-laws, codes, rules, ordinances, official plans, approvals, permits, licences, authorizations, decrees, injunctions, orders and declarations, or any other similar requirement of law.
- ✓ The project does not support normal operating costs associated with carrying out a business.
- ✓ The project does not support basic research (experimental or theoretical work undertaken primarily to acquire new knowledge without a commercial or other specific application in view).
- ✓ The project does not, and the project activities do not, directly influence and/or lobby any level of government.

Step 2 - Applicant Contact Information (Communication and disbursements will be addressed to applicant name)

Applicant Name (Business Name or Individual Name)		
Contact Name		
Secondary Contact		
Email	I prefer documents be communicated to me by email	
Phone Number		
Address		
City/Town		
Province	Postal Code	Country
CRA Business Number or GST/HST Number		

Step 3 - Project Location (Identify where project work is taking place if different than above – attach additional information if required)

Primary Location	Secondary Location
Project Contact Name (if different than above)	
Phone Number	
Address	
City/Town	
Province/Postal Code	
Property Identification Number - PID (if applicable)	

(This step is optional)

Step 4 - Is your company/organization majority owned (50% or more) by one or more of the following groups?

(Select all that apply)

- | | | | |
|--------------------|---------|-------------------------------------|---------------------|
| Indigenous Peoples | | Women | Not applicable |
| First Nations | Metis | | |
| Inuit | Unknown | Youth
(40 years old and younger) | Decline to identify |

(This step is optional)

Step 5 - Select any of the following groups who will directly benefit from the project's activities

(Select all that apply)

- | | | | |
|--------------------|---------|-------------------------------------|---------------------|
| Indigenous Peoples | | Women | Not applicable |
| First Nations | Metis | | |
| Inuit | Unknown | Youth
(40 years old and younger) | Decline to identify |

Step 6 - Recipient Type (Applicant chooses one of the following options)

- | | | |
|---|---------------------------|-------------|
| Primary Producer | Processor | |
| Industry Organization | Research Body/Institution | |
| Retailer/Wholesaler | Service Provider | |
| Provincial / Territorial / Municipal Government | Indigenous | |
| | community | association |
| | organization | individual |

Step 7 - Commodity or Sector - What commodity or sector does the project activities benefit?

Commodity or Sector	
----------------------------	--

Step 10 - Additional Information

1. Indicate which program elements you are applying under and amount of funding requested (✓):

Element A \$ _____ - New or more productive vineyards

Element B \$ _____ - New technologies and/or purchase of specialized equipment that will improve grape production practices in New Brunswick

Note - approval is on an annual fiscal year basis, April 1 to March 31

2. Element A: Assistance for the establishment of new or more productive vineyards

Project Details

Information required for Element A:

- A written description (attach) of the planting site indicating suitability for grape production (e.g. topography, slope, soil type and texture, drainage). Also include a description of site preparation and a soil analysis report.
- A written description (attach) of how your new vineyard planting and other improvements will enhance your farm's productivity. Also include what the market is for your grape production.
- A list of new vines planted (indicate if the vines are for replacement or new plantings), details of associated trellis system, and cost details (Table 1 and Table 2).
- An estimate, in terms of dollar value, of how much the funding under Element A is expected to contribute to the growth and sustainability of your operation \$ _____. Indicate (✓) what specific areas this value is coming from: increased acreage or productivity per acre (), production of higher value varieties (), access to new market (), increased value of wine produced (), production of new lines of wine () or other () _____.

Table 1: List of varieties and density of new vines planted and cost details for Element A (HST is not eligible for reimbursement)

Vines	Variety 1		Variety 2		Variety 3		Variety 4		Total requested for vines
	Invoices must be attached if applicable								
	New	Replaced	New	Replaced	New	Replaced	New	Replaced	
Number of vines									
Location									
Cost per vine									
Density (vines per acre)									
In row and between row spacing									
Total Vine Cost									\$
Funds requested for vines (50%)	\$	\$	\$	\$	\$	\$	\$	\$	V - \$

Table 2: List of trellis system components and cost details for Element A (HST is not eligible for reimbursement)

Trellis system components	Quantity	Cost per unit \$	Total \$	Amount requested - \$ (50% of Total)
Invoices must be attached if applicable				
Line posts				
End posts				
12.5 ga high tensile wires				
14.5 ga high tensile wires				
Anchors				
Tying material				
Staples				
Support rods for vines				
Grow tubes				
Mulch for weed control (i.e. coconut discs; sawdust; shavings)				
Total (T)			\$	T - \$

Indicate number of acres covered by new trellis system: _____ acres.

The maximum contribution per acre for Element A is \$4,700.

Grand Total Requested For Vines and Trellis Table 1 and Table 2	V + T = \$ _____
---	------------------

Costs incurred prior to April 1, 2024 are not eligible for assistance under Element A

3. Element B: Assistance for the adoption of new vineyard technologies and/or purchase of specialized vineyard equipment that will improve grape production practices in New Brunswick

Please include:

A written description (attach) of how the specialized equipment and/or innovative technology requested will improve your vineyard's productivity or efficiency.

A complete list / description of eligible items and cost details for Element B (Table 3).

An estimate of the potential \$ value or revenue that the new vineyard technologies and/or specialized vineyard equipment will contribute to the growth or sustainability of your farm operation \$ _____. Indicate (✓) what specific areas this value is coming from: increased quality (), increased volume of grapes (), reduced loss (), reduced labour costs () or other items ()_____.

Table 3: Eligible items and cost details for Element B (HST is not eligible for reimbursement)

Costs incurred prior to project approval are not eligible under Element B

Eligible Items	Information	Quantity	Item Cost \$	Total Cost \$	Total Funds Requested (Item cost x 50%)
Quotes must be attached if applicable					
Specialized cultivators					
In-field drip irrigation					
Harvesting bins					
Field trailers					
Other Innovative Specialized Technologies					
Total					

The maximum contribution per applicant for Element B is \$10,000.

4. Other

The maximum program contribution per year/per applicant is **\$20,000 (Elements A+B)**.

Applications must be received no later than **November 8, 2024 for Element A and January 22, 2025 for Element B**

Claim for reimbursement must be submitted no later than **February 15, 2025**.

Declaration and Signature

The applicant certifies that the information and representations contained in this application are true and correct to the best of his/her/its knowledge and belief.

The applicant hereby gives his/her/its consent to the Minister of the Department of Agriculture, Aquaculture and Fisheries of the Province of New Brunswick and to the employees, agents, successors and assigns of the said Minister to seek and obtain further and other information to whatever extent and from whatever sources or records as may be deemed or considered appropriate.

The applicant consents to the disclosure of applicant contact and project information to Canada and New Brunswick for disclosure of financial, investment and qualitative information related to the funding of a project. Financial information disclosed may be funding under a priority area, activity area and recipient type. Investment information may be disclosed for the purpose of analyzing impacts of Federal/Provincial/Territorial investments in the sector. Qualitative information may be disclosed to evaluate the results achieved from spending on programs under Sustainable CAP.

The applicant consents to New Brunswick or Canada publishing the amount of funding the applicant has received under Sustainable CAP.

Applicant Signature	Date

Completed applications can be submitted as follows:

- ✓ in person or mailed to your regional Department of Agriculture, Aquaculture and Fisheries office,
- ✓ emailed to Sustainable.CAP@gnb.ca
- ✓ mailed to Sustainable CAP Program Administrator:
