

New Brunswick Livestock Premises Identification Application

This form may be used to apply for a Livestock Premises Identification (LPID) number or to update information related to an existing Livestock Premises Identification Number. To apply for a new LPID or update an existing LPID, please complete all areas of the form and sign the consent to disclose information at the end of the form.

- Each premises must have a **Landowner** and **Primary Emergency Contact identified**.
- You will require your Property Identification Number (PID Number) from Service New Brunswick <https://www2.snb.ca/content/snb/en.html> or from your property tax form. If no Property Identification Number is provided, this will delay the processing of your application.
- Attach additional applications if applying for more than one premises and/or more than 2 sub-premises.
- More information can be found at: https://www2.gnb.ca/content/gnb/en/departments/10/services/services_renderer.201363.Register_Animal_Premises_for_Livestock_and_Poultry_Traceability.html

Consent to use and disclosure of personal information and livestock premises information

I, the applicant named below, do hereby give consent to the New Brunswick Department of Agriculture, Aquaculture and Fisheries to collect personal information and livestock premises information for the purposes described below.

I consent to the New Brunswick Department of Agriculture, Aquaculture and Fisheries disclosing the personal information and animal premises information collected on this form for the purposes set out in clauses (a) through (h) below:

The personal information collected on this application form is being collected for the Premises Identification Program of the New Brunswick Department of Agriculture, Aquaculture and Fisheries and will be used for one or more of the following purposes:

- a. detecting, preventing, controlling, managing and eliminating disease;
- b. analyzing the geographical distribution of disease and the epidemiology of disease outbreaks;
- c. conducting assessments and models to prevent disease risk;
- d. tracking the movement of animals from premise to premise;
- e. protecting animal health and human health;
- f. emergency planning;
- g. eliminating disease barriers to market access; and,
- h. verifying the accuracy of information collected on the application form.

THE INFORMATION MAY BE RELEASED TO THE FOLLOWING PERSONS OR ENTITIES:

- a. a department, branch, office or agency of the government of New Brunswick;
- b. the Government of Canada or a municipal, Provincial or foreign government or an agency of such a government, including employees thereof whose duties include:
 - i. protecting the public health
 - ii. monitoring or reporting on the safety of agricultural inputs, foods, livestock or livestock products, or
 - iii. monitoring or reporting on the biological, chemical and physical integrity of agricultural inputs, food, livestock or livestock products;
- c. the following producer board(s) / agencies:

<input type="checkbox"/> Dairy Farmers of NB	<input type="checkbox"/> NB Cattle Producers	<input type="checkbox"/> Chicken Farmers of NB
<input type="checkbox"/> Turkey Farmers of NB	<input type="checkbox"/> NB Pork	<input type="checkbox"/> NB Egg Producers
<input type="checkbox"/> Canadian Cattle Identification Agency	<input type="checkbox"/> Other _____	
- d. as required by law.
