

## TABLE OF CONCORDANCE

The Acts included in this Revision have been given new chapter numbers and many provisions of the Acts have been renumbered. The Table of Concordance is intended as a guide to assist users in comparing the provisions of an Act as they existed prior to the Revision with the provisions of the Act included in the Revision.

The left-hand column shows the provisions of the Act prior to the Revision and the centre column shows the corresponding provisions of the Act included in the Revision. The “Remarks” column indicates whether certain provisions were repealed by the Revision (**Rep. by Revision**) or omitted from the Revision but not repealed (**OBNR**).
