

Welcome to New Brunswick!

This video series will help you learn about the anglophone education system in our province, enabling you to assist your child or children in adjusting to their new environment and feeling more confident.

This video provides important information on how schools are organized, when and where to enroll your children, what support services are available, and how lunchtime works, among other topics.

Below, you will find a menu with the topics covered in each video.

To watch them, simply scan the codes using your smartphone camera or click on the links below:
