6.0 **REQUIREMENTS / STANDARDS**

6.1 **Program details**

Each French Second Language program has prescribed proficiency targets by program and by grade described within the curriculum document provided by EECD.
6.1.2 Superintendents shall ensure that FSL programs include a district plan to develop and provide resources, supports and interventions so that FSL programs are open and accessible to all students.

6.1.3 FSL courses will be instructed in French.

6.1.4 FSL instruction is compulsory until the end of Grade 10. The superintendent shall ensure that students have the opportunity to continue instruction in FSL courses in Grades 11 and 12.

6.1.5 Under exceptional circumstances, exemptions to placement in FSL programs may be granted by the Superintendent, taking into account Policy 322 – Inclusive Education.

6.1.7 French Learning Experiences are mandatory for all Kindergarten to Grade 3 students who follow the English Prime program. These experiences will be integrated into curricular areas and offered a minimum of 30 minutes per week. Participation in these experiences will be noted on the report card.

6.6.4 Under exceptional circumstances, where the superintendent has been unable to engage an educator meeting the requirements of section 6.6.2 or 6.6.3, the superintendent may temporarily assign an educator without the required competency. In order for that teacher to maintain an FSL assignment, a mutually agreed upon written plan to meet language proficiency requirements will be implemented and reasonable efforts will be made to support the educator to attain the required proficiency level.
