

Report on Student Outcomes and School Climate

NB Schools - Secondary (6-12) Fall 2019

New Brunswick Anglophone Schools Highlights

Your version of the **OurSCHOOL** student survey measures 32 indicators based on the most recent research on school and classroom effectiveness. This report provides highlights based on data from 28,848 students in 113 schools that participated in the survey between 6 Nov. 2019 and 20 Dec. 2019.

The results for the province are based on last year's results for all students using The Learning Bar Survey for grade levels assessed by this province, and are compared with Canadian norms.

For details on the survey see www.thelearningbar.com.

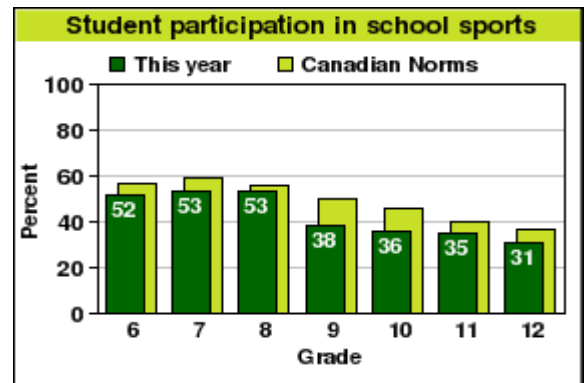

*Note: Only grades with more than 200 students from at least two schools are displayed on the bar charts.
