

NEW BRUNSWICK ASSOCIATION FOR COMMUNITY LIVING

The **New Brunswick Association for Community Living** (NBACL/ANBIC) is a provincial, non-profit organization that works with and on behalf of children and adults with an intellectual or developmental disability and their families. They work to ensure that people with an intellectual or developmental disability, with the support of their families, have the option to choose the supports they need to live meaningful lives and participate in their communities as valued and contributing members.

NBACL is happy to offer a list of engaging activities and resources (for all ages) to keep parents/guardians and their children learning and having fun during their time away from school: **Activities & Resources During COVID-19**.

For more information and support from NBACL, please call 1.866.622.2548 (toll-free, choose option #2) or email nbacl@nbnet.nb.ca.
