

# Quick Start Online Resources

## Middle School

### Literacy

**New Brunswick Public Libraries** offer many learning experiences and free access to downloadable ebooks. To access this site, you will need your library card number. If you don't have one, get one [here](#).

**World's Largest Lesson** is a collection of graphic stories (comic-style) books on global issues.

**Newsela** provides students with thousands of texts on topics they care about most. (Free access; email required.)

**SORA** offers a variety of downloadable eBooks, graphic novels, and audiobooks in French and English. To access the SORA library, select New Brunswick Department of Education and Early Childhood from the Find My School selector and log in using your NBSS/NBED email account. Accessible by web browser or mobile device ([iOS](#) / [Android](#)). Users can borrow two books at a time.

### French

**Idélo** is a comprehensive website with thousands of resources in French for all grades, learning levels, and interests, including reading activities, math, science, social studies, art, games, and STEAM projects. (Free account; name, email and other info required.)

**Duolingo** is both an app and a website that enables French Second Language Learners to practice reading, writing, and speaking French.

**Boukili** is both an app and a website that enables you to read leveled French books. (Must register; name, country, email required.)

### Health and Wellness

**Open Physical Education Network (OPEN)** offers activities that will inspire you and your family to stay active at home.

**BOKS Canada** offers free workouts and fitness games to use at home. (Free downloadable resources available with registration; name, email, and other info required.)

**Participation** offers advice, guidelines, and resources for physical activity for children ages 5–17.

### Learning in Life

**Classics for Kids** offers a variety of ways to explore musical theory and history through interactive games and lessons.

**Lunch Doodles with Mo Willems** is a series of online drawing lessons from the Kennedy Center Education Artist-in-Residence.

The **National Film Board of Canada archives** are available for viewing online with over 3,000 videos on a variety of subjects.

**Explore the Earth from Home** is a collection of resources to explore weather, climate, air quality, and other earth science topics.

The **Virtual Museum of Canada** provides links to virtual museum exhibits from across Canada.

### Numeracy

**Wild Maths** offers videos and activities for exploring a variety of mathematical subjects for ages 7–16.

**Khan Academy** offers math instruction for all levels of learners, organized by both subject and grade.

**Talk with our Kids about Money** offers resources and activities to support learning about money and finances.
