

Public Review Process

Class 1 Air Quality Operating Approval issued under the *Clean Air Act*

Effective September 3, 2020, the Interim Summary of Issues and Responses, as well as a draft approval is available regarding the renewal of the Approval to Operate for the Atlantic Wallboard Limited Partnership Saint John Gypsum Wallboard Plant.

Please note that the "Interim Summary" takes into consideration comments which were received by August 10th. This is also a reminder that the 120-day public comment period regarding this facility ends on November 2, 2020.

Information on how to get documentation, or provide comments can be obtained by contacting:

- **Barry Leger**, Approvals Engineer, Authorizations Branch, Department of Environment and Local Government, 8 Castle Street, P.O. Box 5001, Saint John, New Brunswick E2L 4Y9, Telephone: (506) 658-2558, Fax: (506) 658-3046, Email: Barry.Leger@gnb.ca
- **Patrick Stull**, Regional Director, Region 4 Office, Program Operations and Enforcement Branch, Department of Environment and Local Government, 8 Castle Street, P.O. Box 5001, Saint John, New Brunswick E2L 4Y9, Telephone: (506) 658-2558, Fax: (506) 658-3046, Email: Patrick.Stull@gnb.ca
- Any regional Environment office or by accessing the Internet at www.gnb.ca/environment

Information regarding technical aspects of this approval, the facility, and its operation may also be directed to:
