

NEW BRUNSWICK OUTPUT-BASED PRICING SYSTEM REMOVAL SUBMISSION FORM

CONFIDENTIALITY

All information included in support of this application is considered public. A request to keep confidential all or any part of this application for a period of 5 years must be made in writing in conjunction with this application. Subsequent applications may be made prior to the expiry period to extend confidentiality of all or any part of this application, on 5-year intervals.

LEGAL AUTHORITY

The requirements outlined in this form are administered under the authority of the *Climate Change Act* and associated Regulations and Standards.

NB OBPS REFERENCE NUMBER

Please Identify below the NB OBPS Reference Number that was provided by the Government of New Brunswick:

NB OBPS Reference Number:

EMISSIONS INFORMATION

To qualify for removal from the NB OBPS program, the regulated emissions at the regulated facility must be less than 50,000 tonnes of carbon dioxide equivalent of greenhouse gases for three consecutive years. Please specify the total regulated emissions for the regulated facility in the last 3 calendar years as reported to the Minister pursuant to section 7.2 of the *Act*.

Years	Emissions (tCO ₂ e)

REREGISTRATION

As per the section of the *Reduction of Greenhouse Gas Emissions Regulation*, the owner or operator of a regulated facility that has been removed from registration is required to reregister the facility under section 7.11 of the *Act* if the regulated facility has a total quantity of regulated emissions of 50,000 tonnes or more of carbon dioxide equivalent of greenhouse gases in any calendar year following the removal.

DECLARATION

I, _____, have verified the information contained in this Removal Submission Form in my capacity as the authorized signatory on behalf of the Facility. I certify that such information is true, accurate and complete in all respects and that the form contains no false or misleading statements or no omission of information that should have been stated. It is further understood that the Department of Environment and Local Government may verify any information contained in this form. Further, I understand, and the facility will adhere to the reregistration requirements if applicable.
