

Sustainable Communities

Toolkit for Building Sustainable
Communities:
Introduction

Sustainable Communities - Communautés durables

Introduction to Sustainable Communities

Welcome to the Sustainable Communities Toolkit. The Tools in the Toolkit will help you understand the basics about Sustainable Communities and sustainability planning.

Sustainable Communities - Communautés durables

Purpose of Toolkit

Purpose: to provide on-line tools to New Brunswick communities seeking to become sustainable. This includes municipalities and communities in unincorporated areas of the province.

Sustainable Communities - Communautés durables
