

NEW NB HST CREDIT HELPS FAMILIES

THIS IS A KEY PRIORITY OF THE NEW BRUNSWICK GOVERNMENT. THAT IS WHY WE INTRODUCED THE NEW NB HST CREDIT FOR LOW- AND MIDDLE-INCOME EARNERS. **YOU WILL RECEIVE YOUR FIRST PAYMENT IN OCTOBER 2016.**

FOUR FACTS ABOUT THE NEW NB HST CREDIT:

The full credit will be provided to families and individuals with incomes less than \$35,000, while some credit could be provided to families with incomes up to \$75,000 or more depending on the number of children.

Eligible New Brunswickers will receive their first payment in October 2016. This first payment will be a **double-payment** for a two quarter (six month) period ranging from July-December 2016.

Subsequent payments will be made quarterly (every three months) by direct deposit or cheque. If you are eligible for a smaller amount, you will receive it on a yearly basis.

The Canada Revenue Agency will distribute the new HST credit on behalf of the Government of New Brunswick by adding it to the GST/HST credit payments currently received by eligible New Brunswickers.
