

# As part of our path to recovery, here are the measures that are now in effect.

**PHYSICAL DISTANCING**

**FREQUENT HANDWASHING**

**CLEANING SURFACES PROPERLY**

**COUGHING/SNEEZING**

into your elbow

Public Health strongly recommends  
**WEARING A COMMUNITY FACE MASK** in public  
when physical distancing cannot be maintained

## NOW ALLOWED...

**TWO-HOUSEHOLD BUBBLES:** People living together as a household may now choose to spend time with the people in one other household, but they can only choose each other. No bubble can contain more than two separate households.

**GOLF COURSES AND DRIVING RANGES:** If physical distancing and safety measures are in place, golf courses and driving ranges can now open.

**RECREATIONAL FISHING AND HUNTING:** The delay on spring seasons has been lifted.

**OUTDOOR SPACES:** People can now enjoy the outdoors, including beaches and parks (not playgrounds), if the owner of the space allows it and physical distancing is maintained.

**CARPOOLING:** Co-workers or neighbours can carpool with passengers from one other household outside their two household bubble if physical distancing measures can be maintained. Passenger(s) should be transported in the backseat only. Drivers should screen potential passengers for symptoms of COVID-19 and disinfect all surfaces that may have been touched by the passenger(s) daily.

**POST-SECONDARY EDUCATION:** Students requiring access to campus to fulfill their course requirements can now do so.

**OUTDOOR RELIGIOUS SERVICES:** As an alternative to online worship, religious organizations can hold outdoor services if the congregation stays in their vehicles and if the vehicles are two metres apart.
