

NOMINATION FORM

Council of the Federation Award for Innovation in Mental Health and Addictions Care

Council of the Federation Award for INNOVATION in

**MENTAL HEALTH AND
ADDICTIONS CARE** 

Purpose of the Award

Mental health and addictions are complex issues that impact many Canadians. The steps taken to protect Canadians from COVID-19 have brought greater focus to these issues. Innovation in the practice and knowledge regarding mental health and addictions care can benefit from a more collaborative approach by provinces and territories, and those who undertake that work should be recognized and celebrated.

Each province and territory will issue one award valued at \$5,000. Applications will be accepted until **(June 1st, 2022)**. Submit your nomination package to healthplansante@gnb.ca.

The award will recognize and support individuals and organizations who are excelling in the field of mental health and addictions care. The aim is to reward achievement and innovation and encourage others in the field to be innovative in their work. All recipients will be recognized nationally and used as examples to promote innovation and collaboration across Canada. The awards objective is to highlight innovation in non-governmental, private, and academic sectors.

Nomination Package Checklist

The nomination package consists of the following documents/materials:

- The nomination cover sheet and nomination form, completed in full
- A brief biography of individual or team members leading the initiative, project, study, or program (up to 150 words each)
- A description of the initiative, project, study, or program (up to 1 page)
- A description of the anticipated or actual outcomes/successes/achievements (up to 1 page)
- A description of how the initiative, project, study, or program embraces innovation (up to 1 page)
- A description of how the initiative, project, study, or program supports or contributes to the Inter-Departmental Addiction and Mental Health Action Plan 2021-2025 (up to 1 page)
- Any existing multimedia or scanned print products that describe or support the initiative, project, study, or program (optional).
