

Bulletin #1125

January 31, 2024

## NB Drug Plans Formulary Update Maximum Allowable Price (MAP) List

### Included in this bulletin:

- Drug product additions
  - New products will be reimbursed up to the category MAP effective January 31, 2024. If a second MAP price is included, the category MAP will be lowered to this price effective May 21, 2024.
  - Products that were already listed on the NB Drug Plans Formulary will be reimbursed up to the category MAP effective February 21, 2024. Prior to February 21, 2024, these products will be reimbursed up to the higher MAP indicated on the attached list.
- Temporary drug product additions
  - Health Canada allows certain drugs that may not fully meet regulatory requirements to be imported and sold in Canada. Eligible drugs are those designated as a [Tier 3 shortage](#).
  - These products will be listed as temporary benefits on the NB Drug Plans Formulary and will be reimbursed up to the category MAP effective January 31, 2024.
- Drug price changes
  - Price decreases for products that were already listed on the NB Drug Plans Formulary will be reimbursed up to the new category MAP effective February 21, 2024. Prior to February 21, 2024, these products will be reimbursed up to the previous MAP.
  - Price increases for products that were already listed on the NB Drug Plans Formulary will be reimbursed up to the new category MAP effective January 31, 2024.
- Delisted drug products
  - Products will be removed from the NB Drug Plans Formulary effective February 21, 2024.

If you have any questions, please contact our office at 1-800-332-3691.
