STATISTICS 2014 – 2015

Service Points

Foreword

On behalf of the staff and partners of New Brunswick Public Library Service, I am pleased to present the New Brunswick Public Libraries 2014-2015 Statistics Report. The report covers the period of April 1, 2014 to March 31, 2015.

New Brunswick public libraries are a valued and well-used resource. Usage trends show that members of the public are using public libraries for more things. More than 225,000 New Brunswickers borrow millions of items every year from our public libraries. New Brunswickers rely on the collection and on staff to help them get answers to hundreds of thousands of reference questions annually. This year, New Brunswickers used NBPLS e-library services more than 6.5 million times, and more than 235,000 New Brunswickers participated in a variety of library programs that promote reading, lifelong learning, self-sufficiency, as well as information and computer literacy.

This year's report also features statistics on our virtual branch (Electronic Library New Brunswick) as well as our Talking Book and Books-by-Mail Services, our Indigenous programs and our outreach initiatives. These figures demonstrate the New Brunswick Public Library Service's commitment to serving New Brunswickers - even outside of library walls.

As the statistics demonstrate, New Brunswick public libraries are a key component of New Brunswick's infrastructure, supporting a culture of learning in New Brunswick.

I would like to take this opportunity to thank our partners and staff for their ongoing commitment to the development and delivery of quality public library service in New Brunswick. Our partnership model is essential to the success of public libraries in New Brunswick.

Public Library System Overview

In New Brunswick, public library services are offered through a partnership between the provincial government and participating municipalities. New Brunswick Public Library Service (NBPLS) is responsible for the management and development of public library services in the province. NBPLS is part of the New Brunswick Department of Post-Secondary Education, Training and Labour. NBPLS is made up of one provincial office, 5 regional offices, 52 public libraries, 11 public-school libraries, 3 bookmobiles, a virtual branch, a Books-by-Mail Service and a Talking Book Service.

Through NBPLS, the provincial government is responsible for strategic planning, general administration, provision and supervision of programs and services, human resources, collection development, cataloguing and processing of materials, management of the provincial catalogue, automation, as well as administrative, operational and professional support. Participating municipalities are responsible for providing and maintaining facilities as well as furnishings and equipment required for the provision of quality public library service.

For public-school libraries, school districts are a third partner, contributing half the salaries, curriculum-related collection development, and providing and maintaining necessary facilities to serve school users. In this type of partnership, participating municipalities have the same responsibilities towards the community as in partnership agreements for public libraries.

The provincial office of NBPLS is responsible for ensuring that the intent of the *New Brunswick Public Libraries Act* is carried out. It manages the provincial budget, sets standards, policies and guidelines, and ensures that they are respected.

The regional offices (Albert-Westmorland-Kent (AWK), Chaleur, Fundy, Haut-Saint-Jean (HSJ), and York) manage, supervise and coordinate the provision of public library services and bookmobiles in their individual areas.

Public libraries, public-school libraries, bookmobiles, and the Books-by-Mail and Talking Book Services are responsible for providing direct service to New Brunswickers.

Each library region has a library designated as a resource centre. The resource centre plays a lead role in reference, children's, young adult / adult services, and circulation services for the region.

Each public or public-school library has a library board, with members appointed by the participating municipality or by an association of persons acting as a municipality. The library board oversees the management of the budget allocated by the municipality and ensures that the library facilities are adequate. It also plays

a support role by promoting the library in the community and by ensuring that services offered meet the community's needs.

Several times a year, representatives from the public library boards from each region meet in regional forums to discuss common issues. The Regional Directors chair forum meetings. The regional forums elect one representative each to the New Brunswick Public Libraries Board.

Members of the public library boards (trustees) can belong to the New Brunswick Library Trustees Association Inc., an independent organization that promotes public library service in the province and fosters the education and training of library trustees.

The New Brunswick Public Libraries Board consists of five elected representatives, one from each region, plus eight additional members appointed from the public at-large by the Minister responsible for public library service. The Provincial Librarian also serves on the Board as a non-voting member. The Board studies issues, makes recommendations to the Minister, and assists the New Brunswick Public Libraries Foundation.

The New Brunswick Public Libraries Foundation, consisting of ten members, conducts fundraising activities and encourages, facilitates and carries out activities to improve funding for collections and services in public libraries.

- 1 Per capita figures are calculated based on the provincial population.
 - 2 This figure includes the annual purchase of licenses for electronic reference tools, eBooks and audiobooks available through the NBPLS website (\$157,861.75), funds allocated to the provincial professional collection (\$2,319.70), books for the Hackmatack program (\$19,706.75) and gifts of library materials presented to commemorate library anniversaries (\$2,688.64), as well as any additional allocations to regions over the course of the year (\$50,657.95).
 - 3 Includes public donations (cash), donations to the Adopt-A-Book program and grants received by library regions and libraries. Does not include in kind donations which were processed through the New Brunswick Public Libraries Foundation.
 - 4 Actual expenditure on collections by the New Brunswick Public Libraries Foundation differs from the amount allocated as not all funds allocated to the region in a fiscal year are spent in the same fiscal year. An important portion of the allocation is based on the wishes of donors. Does not include anonymous in kind donations (see p. 18).

The number of interlibrary loans borrowed represents the number of times an ILL was picked up at a library in that region. The number of interlibrary loans loaned represents the number of times an organization outside of New Brunswick received an item owned by a library in that region.
 - 2 Traffic figures are reported as generated by people counter devices. Only 59 of the 63 libraries had people counters in 2014-2015.
