

APPENDIX A
STANDARD TEXT FOR PUBLIC LIBRARY SIGNAGE -
INTERNET ACCESS COMPUTERS

Public Internet Access

This computer is equipped to offer **filter-free** Internet access for public use.

To protect personal information about patrons, the library takes measures to delete Internet browsing history daily, but retains computer sign-up information up to 30 days. Please be advised that Internet activity on this computer may be traceable to the user.

Responsibility for a child's use of the Internet rests solely with his or her parent or legal guardian.
