

### **2021 Crown Reserve Angling**

Camps will be open for the 2021 Crown Reserve angling season. This is subject to change depending on the pandemic recovery phase at the date of the trip.

#### **Important Points to Note:**

- Camps will be stocked with a basic amount of cleaning and sanitization supplies.
- Anglers are expected to bring their own sanitization supplies for the duration of their stay.
- It is suggested that anglers clean all high touch areas **as soon as they arrive** and **at the end of their trip** (doorknobs, kitchen counters, tables, toilet handle (if applicable)).
- Anglers are expected to remove all waste and leave the area cleaner than it was upon arrival.
- It is not possible for staff to reach every camp between bookings however, camps will be visited weekly.
- Please follow all Public Health directions concerning COVID-19 to keep all New Brunswickers safe.
- Anglers are asked to maintain physical distancing, follow travel restrictions from your health zone and the health zone that you are traveling to. Keep in mind restrictions may differ from one health zone to the next.
