

## MEMO

### **2024 Hunt & Trap – additions to the **New for 2024** section**

### **Effective August 12, 2024**

#### **Hunting season for raccoon, squirrel, and skunk**

- Hunting for raccoon, squirrel, and skunk is now permitted by persons holding licences allowing the hunting of small game species.
- These licences include:
  - Non-Resident and Resident Deer and Game Bird (class 1 and 3)
  - Non-Resident and Resident Bird and Small Game (class 2 and 4)
  - Resident Minor's Bird and Small Game
- Hunting seasons for these species are:
  - Raccoon and Skunk - October 1 to December 31
  - Squirrel - October 1 to the last day of February
- There are no bag limits for raccoon, squirrel, and skunk.

#### **Bear Season changes**

- **Spring** bear hunting season will now end on the last day of June.
  - June 30, 2025
- **Fall** bear hunting season will now end 7 weeks after the first Monday in October.
  - Will coincide with the end of general firearms hunting season for deer in most areas of province.
  - November 24, 2024
