Did you know??

All students enrolled in a regulated private college in New Brunswick receive financial protection for their tuition.

The Training Completions Fund is an insurance fund paid for by students.

How It Works

Students pay 1% of their tuition into the Fund as protection in case of an unforeseen closure.

The funds are used to refund a student's unused tuition or for a retraining in a similar program at another institution.

International students will begin to contribute to the Training Completions Fund beginning September 2023 and will be offered the same level of protection.
