New Electronic Identity Verification and Master Student Financial Assistance Agreement (MSFAA) Process

Loans for applicants requiring an MSFAA

Effective April 3, 2018, in order to receive student loan/grant funding, new applicants requiring a Master Student Financial Assistance Agreement (MSFAA) will be required to follow a two-step online process. The MSFAA is a legal agreement between you, your province/territory and the Canada Student Loans Program about borrowing and repaying your provincial/territorial and federal student loans.

**Step 1:** The first step to registering your account with the NSLSC is to confirm your identity via GCKey or Sign-In Partner. You will also be required to input your 10-digit MSFAA number as part of the identity verification process.

**SecureKey** Sign-In Partners are private sector companies and organizations that have partnered with SecureKey Technologies to enable their customers to use their online credentials (e.g. card numbers or user names and passwords) to access Government of Canada services. Financial Institutions participating in this service are:

- Affinity Credit Union
- Alberta Treasury Branches
- BMO Financial Group
- CHOICE REWARDS MasterCard
- CIBC Canadian Imperial Bank of Commerce
- Desjardins Group
- National Bank of Canada
- RBC Royal Bank
- Scotiabank
- Tangerine
- TD Bank Group

**GCKey** is a Government of Canada service that issues credentials (username and password) that are used to access (log in to) federal government services online. The GCKey service can be used by clients who do not have, or choose not to use, a credential they may already have with one of the Sign-In Partners.

**Step 2:** Next, applicant will be asked to complete their MSFAA. This step includes:

1. Confirming personal and contact information
2. Completing communication preferences
3. Entering banking information
4. Accepting the terms and conditions
A new MSFAA will be issued to applicants if the applicant is:

- A first time loan or grant recipient enrolled in full-time studies
- An existing loan or grant recipient who has experienced a break in studies of more than two years
- An existing loan or grant recipient who has established residency in another province/territory
