

REVIEW OF STUDENT'S GROSS INCOME

This form can be used by students requesting that their gross income be reviewed.

Complete this form if you expect there will be a decrease of at least 5% in your gross income (line 15000) for the 2023 taxation year (January 1 to December 31, 2023) from that declared on line 15000 of your 2022 Income Tax Return.

A review is not required if the income reported on line 15000 of the previous year income tax return was under \$30,000 as there will be no impact to the assessment.
