

9-1-1

**To help you,
we have to
find you!**

Display your civic address number!

Every owner of a residence or business must display their civic address number so that it's clearly visible from the main roadway.

This is so that emergency responders can find the address quickly in an emergency.

Please display your civic number:

- in a high position with year-round visibility,
- in a colour that contrasts with the building, mailbox or signpost (reflective numbers are best), and
- in a size large enough to be easily seen from the road.
