

Action Plan
20__ to 20__
(this should be for a 3 year period)

Age Friendly Domain being Addressed (What)	Action(s) (How)	Responsibility (Who)	Required Resources (HR / \$\$)	Implementation Date (When)

NOTE: Not all 8 domains are required to be addressed in a 3 year period. The Community Assessment should drive the priority actions. You may want to select the top -3-4 issues that the citizens indicated were a concern and move forward to address those.

This is just a sample to guide you in the development of your age friendly community action plan. These columns should be included at a minimum. Please add more rows as may be required.
