

Department of Public Safety Contact: Mike Comeau, (506) 453-7142	Permit for a Gas Installation <i>Boiler and Pressure Vessel Act</i> Regulation 84-176 subsection 37(1)
Current Fee: \$25 Proposed Fee: \$50, \$100, \$250, \$300 Effective Date: April 1, 2011	New Annual Revenue Estimate: \$280,000 Change in Annual Revenue: \$192,500
Comments: This permit has expanded to several different permits to cover the many different types of gas installations. The cost of the permit also includes the initial inspection which costs \$100. This is a reduction from the \$125 cost of most residential gas installations. Most commercial and industrial buildings will see an increase.
