

Department of Environment Contact: Dave Maguire, (506) 453-7945	EIA – Registration of Projects (Category 2) <i>Clean Environment Act</i> Regulation 87-83
Current Fee: \$2,500 Proposed Fee: \$2,750 Effective Date: April 1, 2012	New Annual Revenue Estimate: \$8,250 Change in Annual Revenue: \$750
Comments: Environmental Impact Assessment (EIA) is a process through which the potential environmental impacts resulting from a proposed project are identified and assessed early in the planning process. The fees are for applications (registration) only, and are intended only to cover the costs incurred by the department in the review and “Determination” of projects. The proposed fee levels are based on increasing costs to deliver the service, but do not achieve full cost recovery for administering the EIA program.
