

Department of Environment Contact: Mark Boldon, (506) 453-7945	Retail Outlet Licence (less than 50,000 litres) <i>Clean Environment Act</i> Regulation 87-97
Current Fee: \$200 Proposed Fee: \$220 Effective Date: April 1, 2012	New Annual Revenue Estimate: \$26,620 Change in Annual Revenue: \$2,420
Comments: This regulatory charge is designed to recover the costs of reviewing application material, and the issuance of licences, which may also require follow-up with clients to ensure receipt of all required material. For some systems, inspections are conducted, and tank test reports are reviewed and accepted. The increase in fees is proposed based on increasing costs to deliver the program.
