

Department of Finance Contact: Deborah Rankine, 1-800-669-7070	Registration – International Fuel Tax Agreement (IFTA) <i>Gasoline and Motive Fuel Tax Act, subsection 12.3(1)</i> Regulation 82-81 section 17
Current Fee: See Schedule Proposed Fee: See Schedule Effective Date: April 1, 2012	New Annual Revenue Estimate: \$270,925 Change in Annual Revenue: \$245,925
<p>Comments: The department is implementing an annual licensing fee for IFTA registrants. The fee structure is based on the number of vehicles operating interjurisdictionally. As IFTA is an international agreement, the Province is bound to carry out certain administrative requirements, which increase the total cost of administration. However, as there has been no previous registration fee charged, full recovery of costs through registration fees could represent a major financial burden to carriers. The registration fees set in the schedule below do not recover the full cost of the administration of this program; therefore, an implicit subsidy will be provided.</p> <p>Decal fees have not been increased since the Province joined IFTA in 1996. The new decal fee will ensure full recovery of this cost.</p>
