

Department of Natural Resources Contact: Keith Endresen, (506) 453-3826	Application Fee Well Licence – New <i>Oil and Natural Gas Act</i> Regulation 2001-66
Current Fee: N/A Proposed Fee: \$200 (\$50 to amend) Effective Date: August 15, 2012	New Annual Revenue Estimate: \$TBD Change in Annual Revenue: \$TBD
Comments: This fee is designed to recover the costs of the application review process which includes several professional staff. The proposed fee is based on cost estimates. The application fee is \$200 for each well licence application. There is also a fee of \$50 to amend a well licence to show a change in: the name of the well licensee; the name of the well; or to transfer a well licence. The application fee and the fee to amend an application have been rationalized to the extent that the Department has identified sufficient administrative costs which meet the requirements of “Eurig” and demonstrate that these are truly fees for service and do not constitute a tax.
